Letter from the President

Happy New Year! I am pleased to announce that the PNA has reorganized and has several new faces on the board for 2010. Michael David will serve as Treasurer, Ryan Melby will fill the role of Vice President and I, Jason Bott, will be the new PNA President for the 2010-2012 term. I would like to thank all of the neighbors who have served on the PNA Board in previous years. We appreciate their gracious gift of time and energy. Several board members from the past will continue in their positions. I am confident that with their experience and insight along with the new ideas and perspective of our new members, we will be able to move forward as an organization that represents and serves our great neighborhood in a positive way.

With that said, we are still looking to fill the open positions of Secretary and Newsletter Publisher.

We are also always happy to have the help of neighbors who are interested in more of the "one and done" type of volunteering opportunities which are needed for every event. It is with the help of both our dedicated board along with many volunteers that we are able to offer our great activities. Please give me a call at 414-270-6834 if you are interested in helping out.

On behalf of the PNA board, I wish you a safe and prosperous 2010!
Jason Bott

Halloween 2009: A spooktacularly good time!

Once again, the PNA Halloween Trick or Treating event was a fabulous event that really provided the neighborhood the opportunity to showcase just that: a neighborhood in the truest sense of the word. Certainly, the opportunity to hold the event on the holiday itself added to the excitement and enjoyment. Over 100 houses participated in passing out candy on the three street route, and countless families brought their Transformers, Doras, Princesses, Dorotheys, Spidermen, and Cowgirls and Boys out to trick or treat. A spirited group of neighbors led by Dave Salter haunted the 2500 block of 90th Street, and an amazing number of people volunteered to help with registration and candy distribution. The PNA would like to thank all of those volunteers, including Margaret Stockbauer and Katie Somers who served as "Candy Captains." The PNA would also like to thank Kevan Oberdorf and Sendik's for providing us with the space to host our registration.

The 2010 Trick or Treating event will be held on Saturday, October 30, 2010. As has been our tradition over the last several years, the trick or treating route will move 3 blocks to the east, and the 2010 Trick or Treating route will include 88th Street, Pasadena Blvd, and 86th Street. If you live on any of those streets and would like to volunteer to haunt your block, please contact Pam Foti at pfo67@yahoo.com or 774-7899.

Helper List 2010
